

COVID-19 RETURN TO FOOTBALL

I confirm that I am happy for my child to participate in football training, friendlies & competitive matches for St Agnes AFC following the return to football during the Covid-19 crisis.

Based on the Risk Assessments that the Club have published, I can confirm that I will comply with the required Self-Check procedure as outlined below before attending any session, and where applicable not attend the session.

I am also aware that should I have any concerns I can raise these with the relevant squad Manager/Coach, any Committee Member or Club Welfare Officer: Mandy Kimmins: [07974 370666](tel:07974370666)

Name of Player
Date of Birth

Covid-19 Self Checking

Self-checks are very important in identifying who has possible symptoms of COVID-19 infection, as this helps reduce those with the infection attending football activity and transmitting the infection to others.

Each participant (or parent) should self-screen prior to leaving home for training or a match, to ensure that they do not have any of the following symptoms (confirmed by a parent for those Under 18) as these are potential indicators of infection:-

- High Temperature (above 37.8C)
- New continuous cough
- Shortness of breath
- Sore throat
- Loss or change in normal sense of taste or smell
- Feeling generally unwell
- Persistent tiredness
- Been in close contact with/living with a suspected or confirmed case of COVID-19 in the previous 14 days
- People who have been on holiday have conformed to all quarantine restrictions
